On April 28<sup>th</sup>, the Town of Aberdeen will once again recognize the National Day of Mourning by lowering the flags.

The increases are due to added costs from the City of Saskatoon and Sask. Water supply system, and also in part so the fees collected can cover the Town's utility expense.

Please contact the Town Office, (306)253-4311 if you have questions.

The Town of Aberdeen residents and businesses will see increases beginning March 1, 2022 to our waste/recycling rates provided by Loraas Disposal. The waste/recycling rate will change from \$18. to \$21. per month. The compost rates will remain at \$10. per month for those choosing to take part in this program. The increases are passed on from Loraas, and also in part so the fees collected can come closer to covering the program expense, which has been partially subsidized by general operating monies in the past. Please contact the Town Office at (306)253-4311 should you have any questions.

April 28

## DAY OF MOURNING

### We remember

workers who have died, were injured,  
or became ill from their job.

### We commit

to protecting workers and preventing  
further workplace tragedies.

**CCOHS.ca**  
Canadian Centre for Occupational Health and Safety

*It is the hope of CCOHS (Canadian Centre for Occupational Health and Safety) that the annual observance of this day will help strengthen the resolve to establish safe and healthy conditions in the workplace, and prevent further injuries, illnesses, and deaths. As much as this is a day to remember the dead, it is also a call to protect the living and make work a place where people can thrive.*

**Observance: On April 28<sup>th</sup>, 2021 the Town of Aberdeen will once again recognize the Federal and Provincial Day of Mourning by lowering the flags.**

There will be no public meeting in the Town this year and our thoughts and thanks go out to all of the workers world-wide who remained at work to protect the health and safety of others while putting themselves at risk during this world pandemic. The pandemic has touched nearly every aspect of the world of work, from the risk of transmission of the virus in the workplaces to risks that have emerged as a result of measures to mitigate the spread of the virus including psychosocial risks and violence in particular.

The annual day for Safety and Health at work promotes the prevention of occupational injury and diseases globally. It is part of a campaign to raise awareness and intended to focus international attention on the magnitude of the problem and on how promoting and creating a safe and healthy culture in the workplace can reduce the number of work-related deaths, illnesses and injuries. Its purpose is to honor the memory of victims of occupational incidents and diseases.

While we honor the injured, the ill and the fallen workers on April 28<sup>th</sup>, we recognize the day as one for commemoration and for mobilization, we must also recognize that these injuries and fatalities can be prevented by having a strong health and safety culture in our workplaces.

- Over 100 countries recognize a world day for safety and health at work on April 28th.
- In 1988 Saskatchewan proclaimed The Victims of Workplace Injuries Day of Mourning Act.
- In 1990 the Federal Government passed the Workers Mourning Day Act.
- In 2003 the International Labour Organization (ILO) recognized the International Memorial Day to promote health and safety as a basic human right across the globe.
