In order for Voyent Alert to work effectively we need more residents to sign up. Currently we have 190 people participating (some of which are from the same household, which is great), 30 are still unknown to us (have signed up anonymously). We need to know who you are. Of the 285 homes & businesses 116 are signed up, this leaves us with 169 properties where we would have to go door to door in case of emergency (which can take a number of hours). The Voyent Alert sends out a notification of emergency in seconds.

PLEASE for everyone's safety consider registering.

The Voyent Alert app will say "you are subscribed to receive notifications from the Town of Aberdeen using this app" but please go into the menu and look under profile to see if your name is there. If your name is not there, please add it. This step is why we have so many anonymous. Thanks

According to Bylaw 03/22 Tax Tool Bylaw

2022 Property Taxes will be increasing by \$100 and will affect the land base tax portion for all residential and commercial properties (up from \$550 to \$650), with the base tax for improvements remaining at \$500 per property. School Div. Millrates increased for Residential from 4.46 to 4.54, Commercial from 6.75 to 6.86 and Agriculture from 1.36 to 1.42 mills.

History of the Base/Minimum Taxes in Aberdeen

The Town of Aberdeen began implementing minimum/base taxes dating back to the 1990's. The Provincial Government authorized the use of Tax Tools as a method to collect taxes in combinations with the millrate and minimum/base tax uses. Without a base tax the millrate would be higher and the belief is that regardless of how much value your property has, everyone has equal access to services provided by the Town of Aberdeen and therefore should be taxed evenly. Some of these universal/common services consist of Fire & Policing services, Recreation, Streets, Utilities, Library, Waste disposal, etc. So, by using the base tax (2022 Base tax will be \$650 on land, and \$500 on buildings) as a building block, then adding your taxable assessment X 6.75 (millrate) divided by 1000 results in your total Municipal portion of property taxes. The current taxable portion of residential is 80% and commercial 85% of your Assessed value of the land and buildings combined. In 2021 Tax Levy totals \$684,164.59, over \$300,000 made up the base tax portion.
