## SNOW REMOVAL POLICY AND PROCEDURES

### POLICY:

The Public Works/Maintenance Department is responsible for the removal of snow from all Roads, Main Street sidewalks, and Alleys where required, upon their discretion.

This policy is intended to be a general outline of the procedures to be followed.

Snow removal will be done whenever there is an accumulation of snow that warrants use of town equipment and at the discretion of our Public Works/Maintenance Department from Monday thru Friday, and weekends by necessity only. Sand/gravel will be spread on streets and corners where icy, and as needed. A layer of snow on roadways will remain for the protection of our underground infrastructure.

**Priority 1** School Route – Central Avenue, Main Street, Second Avenue and Thompson Street

**Priority 2** Emergency Services – Industrial Drive, Fifth Avenue South

**Priority 3** Residential Streets, Main Street Sidewalk

**Priority 4** Alleys where required

### RESIDENT RESPONSIBILITIES:

Residents may help by clearing the front of their property where sidewalks exist. Bylaw 03/13 prohibits residents from placing any snow, ice, dirt or other obstruction, swept or cleaned from private property onto any street, sidewalk, lane, ditch, drain or sewer.

Many times the Town Office receives calls from residents regarding the snow removal equipment depositing snow at the end of driveways. Unfortunately, this is a reality of snow plowing, and it cannot always be avoided. If you have a neighbor who is unable to remove their snow from in front of their driveway please assist them, as we often do not have the resources to go back and clear driveway approaches. We ask for your cooperation and understanding as our staff performs the work of keeping our streets open and safe during the winter.

## 2024 Business Licenses

According to Bylaw 12/14 the Business License Bylaw, all Home Based, Store Front and Contractor Business Licenses for 2024 are due December 31, 2023, and are valid until December 31, 2024.

License fees:

Home Based Business \$25 annually  
Store Front Business \$75 annually  
Contractor \$100 annually

General Contractor \$300 (covers the trades, as part of the building permit)

The offence for conducting business without a Business License is \$200. Bylaw Enforcement will be issuing fines for non-compliance.

Forms can be found on

[www.aberdeen.ca](http://www.aberdeen.ca)

In order for Voyent Alert to work effectively we need more residents to sign up. Currently we have 190 people participating = 129 households (some are from the same household) which is great, 30 are still unknown to us (signed up anonymously). We need to know who you are. Of the 310 homes & businesses this potentially leaves us with 181 properties where we would have to go door to door in case of emergency (which can take a number of hours). The Voyent Alert sends out a notification of emergency in seconds. PLEASE for everyone's safety consider registering, go to [Community Support - Voyent Alert! \(voyent-alert.com\)](http://Community Support - Voyent Alert! (voyent-alert.com))

### What is the ticket for a stop sign and points off your license?

Stop sign is \$230.00 plus demerit points

### What is a speeding ticket?

Speeding starts around \$170.00, if you are 25km over you will get a \$200 ticket, once you hit 31 km over they really jump up and there is possible vehicle seizure.

Sadly, one week after the speed bumps had been removed we had 47% of drivers speeding going North at speeds of 56km/hr, going South over the tracks 65% were speeding up to 57km/hr.

With the speed bumps in place only 10-20% were speeding.

By Nov. 7, we are seeing speeds as high as 71kmh.
