

Basement Development

On Basement Development Plans the following must be indicated.

- Dimensions of the existing exterior basement walls
- Hallway widths
- Interior partitions
- Use of the space (bedroom, bathroom, etc.)
- Electrical details (lighting/switch placement)
- Type, size, and spacing of materials used for walls
- Indication of how bathroom will be exhausted
- Window sizes
- Indicate if a wood burning stove will be installed
- Indicate type of poly vapour barrier and insulation
- Indicate type of moisture barrier to be installed between existing concrete wall and wood framing wall
- Placement of Stairs

The following is an example of what detail is expected on submitted plans and is to be used as reference material only.
